We are pleased to announce that from June 28 (Fri.) to July 21 (Sun.), 2024, the solo exhibition "Winter Sketches" by Chizuko Nakamura, a photographer born in Kuji City, Iwate Prefecture, who won the runner-up prize of the third Fugensha Photo Award, will be held on the second floor of Communication Gallery Fugensha.

The photographs taken in Morioka City, where the artist lives, show the traces of old houses demolished to reveal the walls and the color of the tin, softly illuminated by the fresh snow.

Please enjoy these poetic landscapes that seem to capture the essence of the city.

Also on the 3rd floor of the gallery, a solo exhibition by Hiroki Urabe, winner of the Grand Prix at the 3rd Fugensha Photo Award, "Vacant Space," will be held at the same time.
